Summary: Yet another depressing one. Slightly weird, I think. It could be from anyone's POV, you choose. As always, R/R!!

Darkness

I feel the darkness closing in
>
The creeping gloom
>
Howling voices raise a din
>
A forewarning of doom
>

>No one can help me

>I must fight all alone

>I'm neither as brave as he or she

>My skills I must hone

>
They say they will come
>
Yet I turn away
>
They are just some
>
There has to be a way
>

>It seems I'm in a darkened room

>There's no door in sight

>I try to get through the gloom

>I struggle with all my might

>
I get no closer than before
>
I just want to give up
>
I'm battered and sore
>
I want to yell enough
>

>Yet I know I must keep fighting

>To win this stupid war

>The end I think I'm sighting

>And then it is no more.

>

>

>

> <p><p>
